

Dr. R.G. Naik

MD, DM, DNB

Dr. Naik is a distinguished professional from the healthcare industry and medical academia. He has been associated with a host of reputed organizations as:

- Assistant Professor of Medicine & Pediatrics (Endocrinology) at The Children's Hospital, Aurora, CO, USA; Barbara Davis Center for Childhood Diabetes; and University of Colorado Denver School of Medicine
- Consultant Endocrinologist at Jaslok Hospital, Mumbai; Bombay Hospital, Mumbai; and Breach Candy Hospital, Mumbai
- Reviewer at Research Grant Review Committee (RGRC) of the American Diabetes Association (ADA)

His work as an academic has been no less impressive. As a student of medicine, he outshone his peers to win five Gold Medals, for the highest marks in (1) Medicine, (2) Surgery, (3) Obstetrics & Gynecology, (4) highest aggregate in final professional examination, and (5) highest aggregate in all professional examinations of the MBBS degree in India. These were followed, in subsequent years, by an award from the Juvenile Diabetes Foundation International (JDFI) and the State Award from the Government of Karnataka.
